Ms. Barbara Miglionico
The Children's Corner
P.O. Box 517
Larchmont, NY 10538

Dear Barbara,

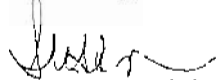

Congratulations on receiving a 2006 School Age Star Award!

These awards were conceived with the idea that, among the many school-age programs doing great things for children and families in Westchester, we had not heard about them. With this in mind, we solicited the field to find winning ideas and strategies that others could replicate at their programs. We wanted to celebrate innovation by providing a continuing approach of publicly recognizing successful ideas and presenting a financial incentive that allows programs to continue and grow.

We are honored to recognize your *INTEGRATION* program which involves assisting adults with disabilities in their employment. Please accept this award with a check in the amount of \$500, courtesy of The Wallace Fund of Westchester Community Foundation. Under separate cover you will receive a framed 2006 School Age Star Award certificate for display at your program.

Your winning idea will be featured in the next addition of the ISACC Newsletter. Thank you for telling us about your wonderful idea. We know others will be interested to learn more about it.

Sincerely,

Susan M. Edelstein
ISACC Director
